

Lowest Price Guarantee

We are able to guarantee the lowest prices in the industry because we are the manufacturer. Nobody can match our product line or ability to custom manufacture any synthetic turf product... we guarantee it!

Here's How to Qualify

1. Show us our competitor's advertisement with the advertised price.
2. Send us a sample of the competitor's synthetic turf.
3. Tell us the square footage size of your synthetic turf project.

Our Lowest Price Guarantee applies to all new, factory original (no seconds), synthetic turf products. This guarantee does not apply to manufacture rebates, closeouts, clearances, wholesale, or bulk quantity items.
